## **ABOUT.**

Packaging  
is an art..  
we do it  
everyday.

One of the biggest names in the packaging materials retail distribution industry, Box N Label General Trading takes pride in providing its clients with impeccable service and quality materials. With a team of immensely skilled people who are experts in their areas, we ensure to deliver you a solution which is uniquely catered to your specific need.

With a vast range of products such as stretch films, bubble rolls, foam rolls, PP straps, corrugated rolls, adhesive tapes, tarpaulins, polythene bags, silica, cartons, papers, and much more; we are truly a one stop shop for packaging materials.

## **Vision.**

The journey towards perfection is eternal. And what makes it worth is that you don't journey to meet mere expectations or prerequisites, but go way above and beyond them. We at Box N Label, believe in the strength of collaboration to attain excellence in the work we do. Our vision is driven by the creation of sustainable and imaginative partnerships, to bring together everything in its best form, and to connect with customers at a personal level. We aspire to forge ahead in our business by making stepping stones out of our sturdy client relationships and brilliant quality of service.

## **Mission.**

Box N Label aims to inspire, empower and listen to your needs and prepare the ideal course of actions to realise them. Our commitment and assistance will equip you with the power to achieve exactly what you have in mind. Clear insights, prompt guidance and a dynamic approach are what will take you one step closer to your mental map. Warehousing, packaging, transportation, freight forwarding, moving or relocation: you name the job, and we're there to take it off your shoulders, literally!

## **Commitment.**

What we value the most in our business is the strong connections we make with our precious customers and clients. It is through integrity and endless hard work that we aim to climb the ladder of success. Our commitment towards our customers and aim for perfection in what we do, keeps us going every single day, for every single job.
